IT IS A PLEASURE TO FINALLY MEET YOU.

WHAT !?

IT HAS BEEN OVER FORTY YEARS SINCE I LEFT THE HOLY TEMPLE!

TEN YEARS LATER...

I learned of the birth of the one who would be one of China's greatest warriors.

THE THIRD AND FINAL KAIO OF OUR CENTURY.

I ALSO LEARNED THAT HE HAD INHERITED THE TITLE OF KAIO.

I DID NOT THINK THAT WE WOULD MEET IN JAPAN.

PETSU ...

TODAY HOWEVER, WILL YOU ACCEPT A DUEL AGAINST ME?

THE LAST TIME, THE CIRCUMSTANCES DID NOT LEND THEMSELVES WELL TO THE SITUATION...

NO.

The Tiger Killer!!

So that wasn't just a legend!?

SO IT'S TRUE, FATHER!?

GIVEN MY ROLE AS A MASTER AND EDUCATOR TO MY STUDENTS...

I'D PREFER NOT TO SHOUT THAT TYPE OF THING FROM THE ROOFTOPS.

SIBERIAN TIGERS MAY BE THE BIGGEST AND STRONGEST FELINES, BUT THAT DOESN'T MAKE THEM ANY LESS CLOSE TO EXTINCTION...

AND WHY WASTE YOUR TIME TRYING TO CONVINCE OTHERS? ESPECIALLY WHEN IT'S OBVIOUS...

THAT NO ONE WILL BELIEVE YOU!?

IN SEARCH OF OUR STRONGEST HERO

All BAKI wants is to Win!!

WHAT HAPPENED TO YOU?!

FATHER! WHY ARE YOU...

FATHER!!

HE'S BEHIND YOU!

WHAT ARE YOU DOING?

DO SOMETHING, DAMMIT!!

.....

HE ISN'T LISTENING TO YOU ANYMORE!

YOU CAN SCREAM YOUR LUNGS OUT ALL YOU WANT...

DOPPO OROCHI IS IN THE MIDDLE OF A FIGHT... AGAINST ME.

MORE LIKE A DREAMED UP FANTASY VISION OF MYSELF.

ACTUALLY, NOT REALLY AGAINST ME...

NO. IT'S NOT TAUGHT BY OUR SCHOOL.

DO YOU KNOW THIS TECHNIQUE?

RETSU

.....

.....

WHAT?! THAT'S IMPOSS.BLE!

SEEMS TO BE MORE LIKE SOME FORM OF HYPNOSIS

"Wanting to win at all costs."

こやかに勝ちたい」

"Willing yourself to victory."

的に勝利したい」

It must be by using the power of suggestion over these psychological traits that all fighters have in common that he was able to hypnotize him.

An opponent who would fit in perfectly to the ideal fight that his mind created.

欲しい

Under his influence, Mr. Orochi must have created an opponent that conforms to his desires...

欲しい

IT'S JUST A VIRTUAL IMAGE THAT HAS N OTHING TO DO WITH REALITY!

YES!

SO HIS OPPONENT..

MR. OROCHI IS UNDOUBTEDLY IN THE MIDDLE OF CRUSHING HIS IMAGINARY ENEMY.

MANIPULATED BY THIS HYPNOSIS...

His thirst for victory is swallowing him whole!!
こらくは よう に は !!!

UNFORTUNATELY FOR HIM, THE TIME HAS COME TO LOWER THE CURTAIN...

BECAUSE IM SENDING MR OROCHI...

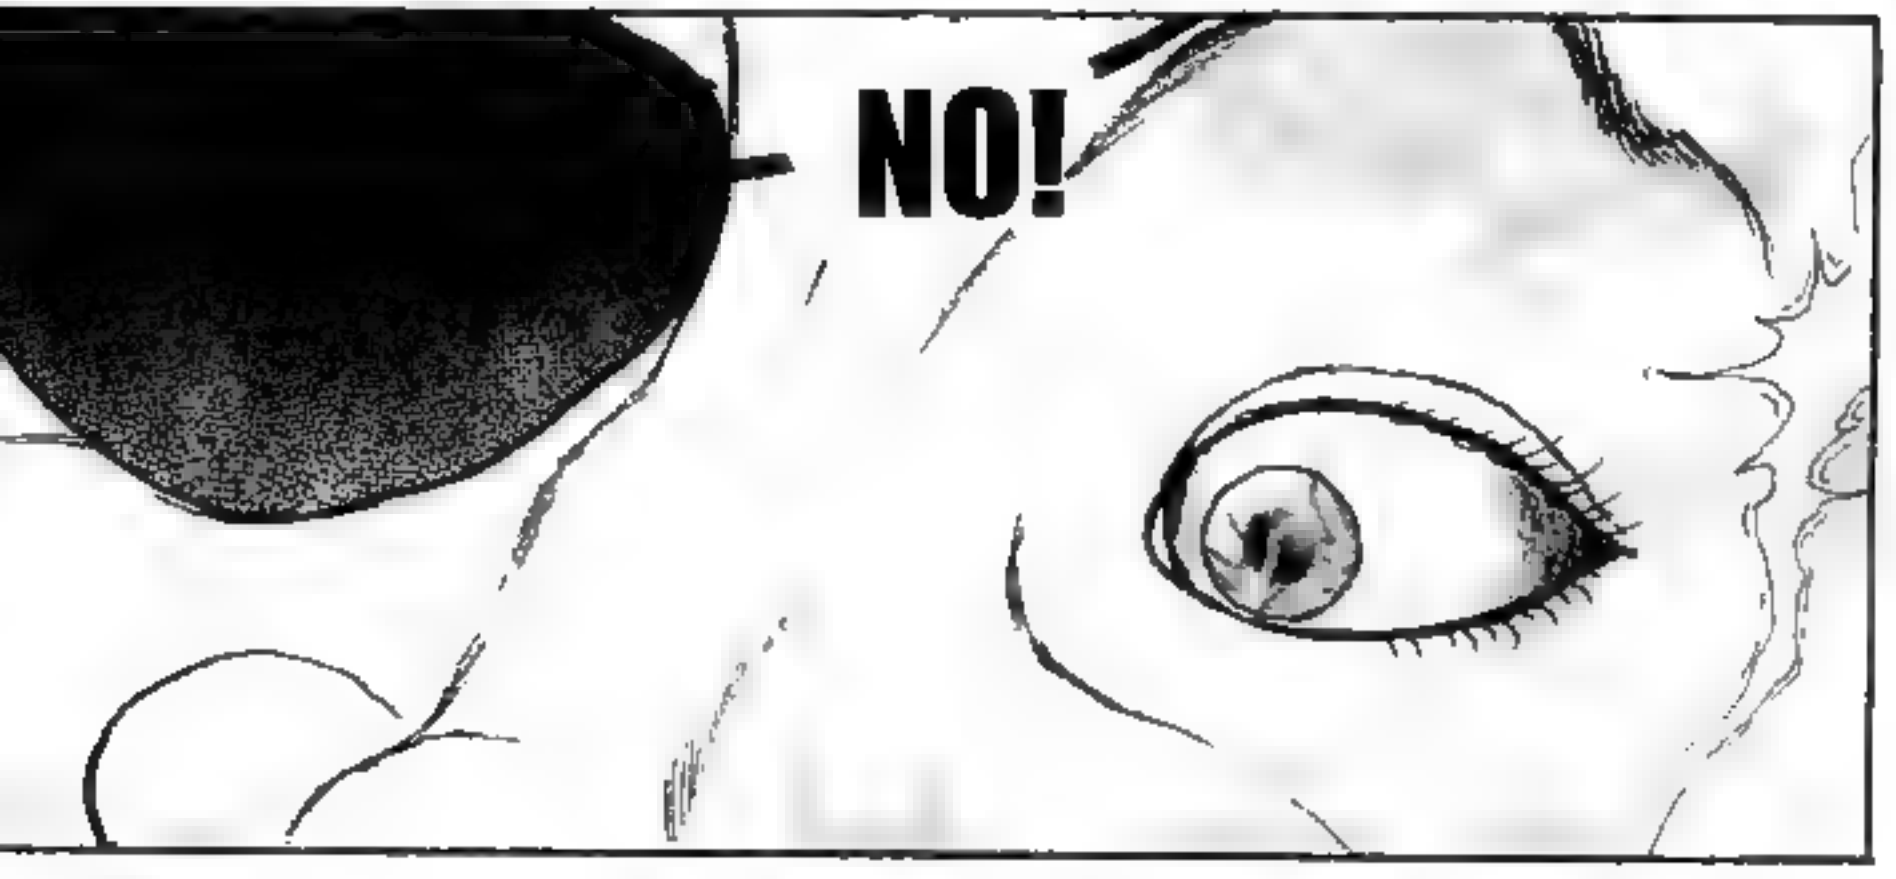
To an endless sleep!!!

???

OHH

LOOK! THE HYPNOSIS MUST HAVE WORN OFF!



NO!

BUT THERE'S SOMETHING THAT MR. OROCHI KNOW PERFECTLY WELL.

HE'S STILL UNDER HIS INFLUENCE...

A fact that forged itself through thousands of fights...he knows that no fight is ever won before it's over!!

THE LOOK IN HIS EYES HASN'T CHANGED. ARE YOU SURE YOU FREED HIM FROM DORIAN'S SPELL!?

His mastery of martial arts is so great that the fake Dorian's movements which his fighting spirit created...

Are exactly the same as the ones the real Dorian planned on making!

「刃牙」 The Baki Journal

By Ichido Reichan

EXTRA, EXTRA PLEASE READ WITH CAUTION IF YOU DONT WANT TO MISS THE NEXT VOLUME

so I assume that you read yesterday the book 8...
And you can't wait to get on book 9....

That was the way I felt when I finished the book 8 and I couldnt wait to work on book 9, all the staff and myself included, we love to work on Baki and it was my idea to make this 2 day release to show you how much we enjoy the series, but at difference to other groups, we dont have free translations and sadly, to see the project forward in the speed we want, we have to resort on donations before we can continue

When Baki started , I paid the first translations myself, then I totally gave up on the project until Pittaro, Dassazzj and Dedman joined in book 4 and worked with me all the way until this book, and I can't forget the only two sponsors that joined us and donated for new books: Shizlanski and Hydra 632, and not to forget the kind help of Petshop XD that gave us the misterious past of Yuujiro.

In every book, there is a lot of effort, a lot of headaches and we are a small group, we dont have it easy at all, working on Baki is expensive and there is a reason why you don't see it anywhere else, so this being said.... For the first time we are in a change of operations, for the first time we have (list updated) 22 translators, all proffesionals and for our love to the series, we will pay them $25.00 for each book translated, this cost is super high but BAKI deserves it well, We can't order translations 'cause we are counting on you, Baki left us Dead broke.

So from now on, I discussed with my current sponsors and staff and we will work all the way for US and the ones that support us, the rest of the fans will have to wait 2 or 3 months before we can release a book, we are not going to fall in that inmense list of Manga that nobody cares, so the Baki manga from VOL 10 will go private and each member for $25 will get 6 books every two months until we finish the current run of books Also we are announcing GAROUDEN (exclusive for members but Book 11 will be up for free) SCARFACE and POUND BY POUND, a mixed martial arts manga realistic "a la Ippo" But Baki will take priority, specially the weekly chapters, We own every raw and every book available so we will be the best Martial sports manga community in the fansub/scanlation scene.

If you wanna join (and catch BAKI book 10 next friday) email me at RTKFANSERVICE@yahoo com and I sign you up for the release, the number of members is limited to 50 (to give each super good speed) and there are more details about it that I will tell you when you join us...

This being said...enjoy the last BAKI release....
if you dont plan to donate.... Enjoy waiting until may...

In every book, there is a lot of effort, a lot of headaches and we are a small group, we dont have it easy at all, working on Baki is expensive and there is a reason why you don't see it anywhere else, so this being said.... For the first time we are in a change of operations, for the first time we have (list updated) 22 translators, all proffesionals and for our love to the series, we will pay them $25.00 for each book translated, this cost is super high but BAKI deserves it well, We can't order translations 'cause we are counting on you, Baki left us Dead broke.

So from now on, I discussed with my current sponsors and staff and we will work all the way for US and the ones that support us, the rest of the fans will have to wait 2 or 3 months before we can release a book, we are not going to fall in that inmense list of Manga that nobody cares, so the Baki manga from VOL 10 will go private and each member for $25 will get 6 books every two months until we finish the current run of books, Also we are announcing GAROUDEN (exclusive for members but Book 11 will be up for free) SCARFACE and POUND BY POUND, a mixed martial arts manga realistic "a la Ippo" But Baki will take priority, specially the weekly chapters, We own every raw and every book availiable so we will be the best Martial sports manga community in the fansub/scanlation scene.

If you wanna join (and catch BAKI book 10 next friday) email me at RTKFANSERVICE@yahoo.com and I sign you up for the release, the number of members is limited to 50 (to give each super good speed) and there are more details about it that I will tell you when you join us...

This being said...enjoy the last BAKI release....
if you dont plan to donate.... Enjoy waiting until may...
